Guaranteed Measurements & Marketing Floor Plans

Luxury Floor Plan

\$0.09 per square foot under roof for measurements and detailed floor plans including any or all of the available options with a colored landscape:

This is our premium material. Along with drone photography and video production, top listings require top marketing.

Floor Plan

\$0.07 per square foot under roof (\$189 min.) for measurements and graphic floor plans with the following customizations:

- Room Dimensions
- Detailed Interiors
- Scaled Furniture Layout
- Simple Landscape Elements

This is our most used service and along with professional photography, is becoming a part of the standard marketing required for most listings.

Sketch

\$0.05 per square foot under roof (\$149 min.) for guaranteed measurements, includes a simple sketch:

This one is great for those middle-market homes that don't require or justify the extra marketing.
